

# MAPGA and VSGA Spearheading Specialty License Plate

MAPGA Scholarship Foundation & VSGA Junior Golf Initiatives to Benefit!

## BE THE FIRST IN YOUR CLUBHOUSE / NEIGHBORHOOD / OFFICE...

The MAPGA and the VSGA have developed a “GOLFER” specialty license plate in conjunction with the Virginia Department of Motor Vehicles. Before moving to the General Assembly for formal approval, the two organizations must collect 350 pre-paid applications so golfers across the Commonwealth can proudly display their love for the game. Monies raised by this program will go to support Junior Golf and Scholarships in the Commonwealth.

Please support this effort by completing the DMV application form on the reverse side of this flyer. The cost of a “Virginia Golfer” plate is \$25.00. Personalized/vanity plates are an additional \$10.

Once the bill is offered and passed, the plate will become part of the DMV portfolio. This is a time sensitive project so please order your plates by Feb. 15, 2010.

**Send completed applications to:**

VSGA: (804) 378-2300

*\*License plate artwork is subject to change/approval by the DMV. Once approved by the General Assembly in Spring 2010, the plates will go into production through the DMV. The plates will not be in your hand until Fall of 2010. If the General Assembly does not approve this plate, your application fee will be promptly refunded.*
